CARIBBEAN CARNIVAL  
EDITION

The background of the entire page is a gradient from teal at the top to magenta at the bottom. Stylized palm fronds are layered across the background, some in teal and some in magenta, creating a tropical, layered effect.

# THE CAUSE

The P.K. Subban Foundation's vision is to create positive change through building a community of people who are passionate about helping children around the globe.

# OUR MISSION

Our mission is simple: to empower children and families by creating programs that support them during challenging times in their lives. We believe that the opportunities and potential of our children should not be shaped by adverse barriers.

# VALUES

OUR CORE VALUES SERVE AS THE COMPASS TO OUR GOALS. WE BELIEVE IN:

## LEADERSHIP

Because after all, giving back is contagious!

## COMMUNITY

Because together, we can change the game.

## INTEGRITY

Because you should never be anything but authentic.

## PASSION

Because what's the point if you don't love it?
